Curriculum Vitae

EDUCATION:

1996: Certificate in Medical Administration,
Saint Thomas University, Minneapolis, MN

1983-1985: Fellow, Child and Adolescent Psychiatry,
University of Minnesota, Minneapolis, MN

1981-1983: Resident, General Psychiatry, University
Of Minnesota, Minneapolis, MN

1980-1981: Flexible Internship, Hennepin County
Medical Center, Minneapolis, MN

1980: M.D., University of Minnesota Medical School
Minneapolis, MN

1972: B.A., Psychology, University of California,
Berkeley, CA

SPECIALTY BOARDS:

Board Certification- American Board of Psychiatry
and Neurology

1985: General Psychiatry
1986: Child and Adolescent Psychiatry

FELLOWSHIPS:

2004-2007: Archibald Bush Medical Fellowship- (Best Practices in School
Mental Health)

UNIVERSITY AFFILIATION:

Adjunct Professor, Department of Psychiatry,
University of Minnesota, Mpls., MN

PROFESSIONAL ORGANIZATION MEMBERSHIP:

American Psychiatric Association (Distinguished Life Fellow)
American Academy of Child and Adolescent Psychiatry (Distinguished Fellow)
Minnesota Psychiatric Society
Minnesota Society of Child and Adolescent Psychiatry

AWARDS:

2015: American Academy of Child and Adolescent Psychiatry Sidney Berman Award for the School-Based Study and Treatment of Learning Disorders and Mental Illness

CONSULTATION EXPERIENCE:**School Districts:**

1988-2017: Anoka-Hennepin, Brainerd, Buffalo, Burnsville, Centennial, Cloquet, Eastern Carver County, Eden Prairie, Freshwater, Forest Lake, Hawaii, Hopkins, Hudson, Hutchinson, Intermediate District 916, Intermediate District 287, Inver Grove Heights, Lake Country, Lakeville, Lions Gate, Little Falls, Mankato, Mahtomedi, Medford, Midwest Special Education Coop, Midstate Education District, Minneapolis, Minnesota River Valley, Mankato, Minnetonka, Motley-Staples, Moundsview, Orono, Osseo, Owatonna, Pierz, Pine City, Princeton, Rochester, Roseville, Royalton, Rum River, Shakopee, St. Croix River, St. Francis, St. Louis Park, St. Paul, Shakopee, South Washington County, Swanville, Thief River Falls, Upsala, Wayzata, West Central, White Bear Lake and Zumbro districts.

Federal Government:

2014-2017: U.S. Department of Education

-Consultation to the National Center for Education Statistics Technical Review Panel (American Institutes for Research for the School Survey on Crime and Safety (SSOCS)).

State Government:

2011: South Carolina Departments of Education and Mental Health

-Recommendations for creating and maintaining replicable, self-sustaining school mental health programs

2006: Hawaii Department of Education, School-Based Behavioral Health Program

-Recommendations for system redesign of Hawaii's school-based children's mental health system

1998: Minnesota Mental Health Ombudsman's Office

-Consultation about improving access to mental health services through improved EPSDT (ChildTeen Checkup) screening
https://mn.gov/omhdd/assets/why-do-we-wait_tcm23-27780.pdf

1996-1998: Minnesota Department of Children, Families and Learning

-Consultation on improving services to students who have psychiatric disorders. Wrote pamphlet, "Mental Health and the Schools, What Educators Need to Know"
<http://www.nasponline.org/advocacy/MentalHealth.PDF>

1995: State of Minnesota, Department of Human Services, Medical Assistance Division
-Recommendations for improving outpatient benefit set to reduce inpatient psychiatric hospitalization rates

Community Mental Health Clinics:

1986-2008: North Point Mental Health Center

1989-2003: Family and Children’s Services, Brooklyn Park clinic

1985-1996: Child and Adolescent Mental Health and Social Services Divisions of Hennepin County Community Services, Minneapolis, MN

1985-1987: Child Guidance Clinic and Residential Treatment Programs, Amherst H. Wilder Foundation, St. Paul, MN

1984-1990: Adult and child mental health clinics and Sexual Assault Services Unit, Washington County Human Services Inc. (HSI)

System Integration Projects:

2011: Consultation to Morrison County, Minnesota, Collaborative.

- Focus on setting up school-based mental health programs, improving Early Childhood mental health screening, and mental health integration with Corrections, Social Services, Public Health and community medical providers

2005-2008: PrimeWest Health Plan

- Recommendations for integrating mental health services with Social Services, Corrections and Special Education

- Assisted in development of Values Health, a multi-system integrated health care model to serve the uninsured

2007: Portico Healthnet Organization

- Recommendations for serving the uninsured through integrating health, mental health and County services, with a focus on diabetes, depression and childhood obesity.

2005-2007: North Point Health and Wellness Center

- Recommendations on integrating the primary care medicine clinic with the outpatient mental health clinic, utilizing a Public Health approach to mental health services.

County Collaboratives, Social Services, Corrections, and Mental Health Case Management Programs:

1994-2017: Anoka, Beltrami, Brown, Carlton, Chisago, Dakota, Douglas, Goodhue, Grant, Mille Lacs, McLeod, Montgomery, Morrison, Mower, Olmstead, Ottertail, Owatonna, Scott, Sibley, Stearns, Steele, Stevens, Swift, Wadena, Watonwan, Winona and Wright Counties

Health Plans:

2005-2008: PrimeWest Health Plan

- Recommendations re: mental health benefit set and reimbursement rates
- Quality control oversight of mental health evaluations

- Recommendations for mental health and chemical health screening tools for use in primary care settings
- Establishment of protocols for clinical services for complex county clientele (e.g. dual diagnosis child protection parents)
- Improvement project for mental health and chemical health outcome data analysis
- Assistance with expansion of Wellness prevention and early intervention services
- Co-wrote and lobbied for legislation that provided funding for a study to outline methodology for integrated health services to the uninsured
- Assisted PrimeWest in obtaining this grant, and in writing the proposal that seeks legislative funding for the Uninsured Project

1995-1996: U CARE Health Maintenance Organization

- Oversight of psychiatric inpatient admission utilization and analysis of factors leading to patient hospitalization. Recommendations for improved outpatient services and methods to reduce the need for psychiatric hospitalization
- Assisting the coordination and integration of primary care and mental health services

Court Services:

2007: Steele County District Attorney
 2006: Wright County Public Defender
 1997: Hennepin County District Attorney
 1992: Hennepin County Court Services

Public Health:

1999-2002: Minneapolis Department of Health and Family Support

Misc. Consultation:

2011-2017: National School Board Association Council of School Attorneys IDEA reauthorization work group
 2006-2015: REM Minnesota
 2002: Center for Disease Control, Atlanta, Ga. re: Access to Mental Health Data
 2001: Eli Lilly Public Health Division
 2000: Senator Paul Wellstone's office
 2000: The Citizen's League
 1999-2000: Hennepin County Alliance for Children and Families

FORENSIC PSYCHIATRY:

- 25 years' experience providing Adult and Child/Adolescent Psychiatric forensic services.
- Comprehensive diagnostic evaluations, expert trial testimony in criminal trials, civil litigation and educational due process hearings, providing expert testimony for prosecuting and defense attorneys, and as a friend of the court.
- Providing diagnostic services and expert witness testimony regarding issues of diminished capacity, competency, insanity defense, and clarification of the role that mental illness has contributed to a defendant's behavior.
- Consultation to defense and prosecuting attorneys and to judges about psychiatric issues as they relate

to criminal behavior, and consultation to Corrections, Social Service, Education and Mental Health professionals about their clients' antisocial behaviors.

-Consultation and expert witness testimony regarding insurance claims, effects of workplace trauma, employee psychiatric risk assessment, competency, malpractice issues, disability and other insurance claims, effects of workplace violence and psychic trauma, institutional negligence, neurological damage, employee psychiatric risk assessment, child custody, employee assistance programs, alcohol and substance abuse, workplace harassment and standards of care.

ADMINISTRATIVE EXPERIENCE:

- 2017 Co-leader, Tier 3 Treatment community of practice group of the Center for School Mental Health
- 2012-2016: Facilitator for the Psychiatry in the Schools community of practice group of the IDEA Partnership
- 2012-2016: Member, National School Board Association Council of School Attorneys Task Force on IDEA Reauthorization
- 2000-2016: Member, Board of Reference, SAVE (Suicide Awareness Voices of Education)
- 2006: Contributor to the "Tools for Success" publication of the National Association of State Directors of Special Education
- 2005-2006: Psychiatry Representative, Minnesota Medical Association Legislative Committee

Member, IDEA Partnership (Federal Special Education advisory group).

Member, American School Health Association (ASHA) task force on school mental health policy.
- 2004-2006: Member, Minnesota Psychiatric Society Integrated Care Task Force
- 2005: Board Certification Examiner, American Board of Psychiatry and Neurology
- 2004-2005: President, Minnesota Psychiatric Society

Member, Integrated Pathways for Children's Mental Health in the Schools Subcommittee, Minnesota Mental Health Action Group
- 2003-2005: Member, Public/Private Partnership task force, Minnesota Mental Health Action Group

Member, Minnesota Medical Association/ Minnesota Psychiatric Society Access to Psychiatric Services Work Group
- 2001-2004: Member, Minnesota Psychiatric Society Task Force on Local Standards of Care
- 1999-2004: Psychiatry representative, State Mental Health Advisory Council; Chair of Prevention/Early Intervention Task Force

- 1998-1999: Member, Minnesota Psychiatric Society Public Affairs Committee
- 1992-1995: Member, Children’s Subcommittee of the State Mental Health Advisory Council
- 1992-1994: Councillor, Minnesota Psychiatric Society
- 1990-1991: President, Minnesota Society of Child and Adolescent Psychiatry
- 1985-1989: Member, Board of Directors, Minnesota Early Learning Design (MELD)
- 1982-1983: Secretary-Treasurer, Psychiatry Residents Association, University of Minnesota, Mpls., MN
- 1979-1980: President, Council for Health Interdisciplinary Participation (CHIP), University of Minnesota Health Sciences Student Organization

NATIONAL PRESENTATIONS:

- 2017: Center for School Mental Health Conference on Advancing School-Based Mental Health Programs:
“Diagnostic, Treatment and Educational Considerations that Ensure Success for Emotionally Disabled Students”
- 2016: CASE (Council of Administrators of Special Education)/NASDSE (National Association of State Directors of Special Education) Conference:
“Assessing and Teaching the Delinquent, Mentally Ill Student” (with Jan Ostrom, M.S., L.P.)
Center for School Mental Health Conference on Advancing School-Based Mental Health Programs:
“Assessing, Teaching and Treating the Delinquent, Mentally Ill Student” (with Jan Ostrom, M.S., L.P.)
- 2015: American Academy of Child and Adolescent Psychiatry:
“Creating a School District Mental Health Plan that Meets the Needs of Students who have Psychiatric Disorders”
Center for School Mental Health Conference on Advancing School-Based Mental Health Programs:
“The Clinical-Behavioral Spectrum” (with Jan Ostrom, M.S., L.P.)
“Psychiatric Aspects of Student Violence”
- 2014: Center for School Mental Health Conference on Advancing School-Based Mental Health Programs:

“Creating a School District Mental Health Plan that Meets the Needs of Students who have Psychiatric Disorders”

2013:

National School Board Association Council of School Attorneys
School Law Practice Seminar:

“Evaluating Mental Health Needs in Light of Safety and Security Concerns” (with Andrew Manna and Seamus Boyce)

Center for School Mental Health Conference on
Advancing School-Based Mental Health Programs:

“Creating Self-Sustaining, Replicable School Mental Health Programs:
a User’s Guide”
